Hamtaro's Love

I do not own hamtaro or any other of the characters. Flames are accepted. I was bored when I wrote this so hang in with me ok?? Well if you want to send flames sent them to Horse77750@yahoo.com.
>Once there was a Hamster named Hamtaro. Well, one day Hamtaro told Bijou How much he loved her. She also loved him so they dated for 4 weeks and started kissing. Then in 5 more weeks they wanted to get married (you have got to remember they don't live more than 2-3 years). Well they lived 3 happy years together. Then Bijou got cancer and there was nothing that Hamtaro or any body else could do. So Hamtaro said, " good bye bijou I will always love you" .
 Well this is my first fic and I think it stank. RR please. Flames are accepted.
